

Parish of St. Jude the Apostle,  
7/3/2025,

Dear Parishioners,

Many thanks for your kind thoughts and prayer during my recent hospital visit. I am now out of hospital and recovering well, sleeping well, eating, resting and walking and even praying a little. May this season of Lent be a time of renewal and healing for each of us.

Thanks again for your kindness and support.

God Bless.

Fr. Pat
