

Mission Statement of

St. Jude the Apostle - Wellington Parish Council

We, the people of the parish of Saint Jude, the Apostle by virtue of our Baptism and Confirmation, gathered around the Eucharist under the guidance of the Holy Spirit, aspire to make God known through living the Gospel values.

Through prayer and liturgy we invite all people into a deeper relationship with God and one another. We commit ourselves to work together as a community, where all are welcomed and encouraged to use and share their gifts. We aim to create a caring, inclusive environment that will enable and empower each and every one of us to take an active part in parish life for the greater good of all.
