July 11th 2021 15th Sunday of Ordinary Time – Year B – Mark 6: 7 - 13

In this week's gospel we see Jesus sending out his group of 12 people he felt would be able to represent him before the world. He called each one by name so that he could send them into the world not merely as a group, but as individuals. An important aspect of their mission was to go out in pairs working together. If people refuse to listen to them they must shake the dust off their feet and not hold on to the rejection as something that defines them from then on.

When were the times in your life that you were very happy that you reached out to someone to accompany you on your travels or hospital appointments?

Prayer:

Lord we thank you for our friends who reach out to us in our time of need.

They help to make the world a better place as Jesus requested of his twelve.

Forgive us Lord for thinking that we can do our work alone, forgetting that we are in need of the support and ideas of others.

Lord when we are rejected help us not to react in anger that keeps us in bondage. Help us to walk away and shake the dust from under our feet so that we may be free to bring the joy of the gospels to all.
