January 3rd 2021 2nd Sunday of Christmas - Year B - John 1:1 - 18

In the beginning was the Word; the Word was with God and the Word was God. He was with God in the beginning. Through him all things came to be, not one thing had its being but through Him. All that came to be had life in Him and that life was the light of men, a light that shines in the dark, a light that darkness could not overpower. John was sent by God as a witness to this light so that everyone might experience this light. He was not the light only a witness to the light.

How do we as people of God bring the light of Christ into the world which is very much needed today? We are all called by our Baptism to be witnesses to this light.

Prayer:

Thank you Lord that the human spirit is unconquerable, it is the light that comes from you. This light continues to shine even in great darkness a light no darkness can overcome.

Forgive us for the times as Baptised people our witness does not bring life to those we meet in our lives especially those who are most in need of this light in the darkness of their lives.

Help us Lord to live the message of the incarnation when your Word was made flesh in order that in the light of our faith in you we will see your glory in all.
