March 4th 2018 3rd Sunday of Lent - Year B - John 2: 13 - 25

In this week's gospel we see Jesus driving people out of the temple. There was nothing corrupt going on because these people were all acting in accordance with the Law of Moses. This model needed challenging. They had turned what should be a place of sacredness into a place where what is important is monetary value.

What is it like for you living in a time when some of the things you have taken for granted are collapsing? Where do you look for hope?

Prayer:

Lord thank you for the deep lessons of life we learn from great people who work for peace on this earth by bringing their belief in you into action without fear.

Forgive us for the times that we are no longer annoyed when people and sacred places are being violated.

Help us Lord to remember that the only sanctuary that counts is the body of Jesus. Help us to be his body in our community bringing justice and peace to all.
