**2nd Sunday Ordinary Time – Year C – John 2:1-11**

In this week's gospel we see the miracle where Jesus transformed the water into "the best wine". What was colourless and bland becomes colourful and sparkling, a source of joy and energy. It was at the request of his mother that Jesus performed the transformation of the water into wine. She is the compassionate one, sensitive to the needs of those around her and sensitive also to the journey that Jesus must take, challenging him and yet leaving him free.

Are we understanding and compassionate in our dealings with people like Mary was with her son?

### **Prayer:**

Thank you Lord for the gift of your mother Mary who will listen to our requests as she listened to you at the wedding.

Forgive us for the times when people come to us with their cares and worries we say to them "why turn to me"?

We pray that like Jesus we will be moved to listen to them and help them to discover the untapped sources of strength among them and they will be able to see your glory and believe in you.
