There are many poor children who need help, so we are asking the boys & girls in our parish to bring a gift for these children. if you are wrapping gifts please indicate if they are for a boy or girl and the particular age There are many teenagers who are likely to receive nothing this Christmas. They generally have to make sacrifices to ensure their younger brothers or sisters receive gifts from Santa.

So this year in view of the economic situation & the existing poverty we are making a special appeal to our young people and to the adults to make a special effort this year to help those who are in need and to bring along a gift suitable for them .Many thanks for your generosity over the past years. Vouchers for older teenagers are especially welcome
