Archbishop Farrell has set up a Task Force under the title of *Building Hope*. The Task Force aims to stimulate engagement with the whole diocesan family and shape an inclusive approach to a pastoral strategy appropriate to our times. It is intended to support parish communities to undertake a radical renewal, looking to the future with creativity, enabling the Archdiocese of Dublin to act now, so as to give effective witness and service in the years ahead. You are invited to take part in this consultation. There is a video, a prayer and a form on the www.dublindiocese.ie website. Please watch the video from the Archbishop and join with your family to pray and to discuss the future of the Church together. It is hoped that you might nominate one member of your family to return to the website and make a contribution by filling out the form. The consultation form will remain online until the 18th July 2021.
