Church Collections

The First Collection

The First collection at mass supports the priests of the Archdiocese including retired and sick priests of the diocese. The money collected goes directly to a common fund from which all priests are paid a monthly allowance.

The Second Collection

The Second Collection at mass unless otherwise stated is the Share Collection . Share was originally set up in the 1970s to provide funding to meet the needs of new and developing parishes like St. Jude's. In more recent years, however, as the need for new churches diminished, Share has been used to refurbish parish churches in disadvantaged areas and to fund the diocesan administration of central services.

The Share collection is replaced by 7 special collections during the year.

Family Offering –

Monies donated either by standing orders, weekly envelopes/ yearly cheques. This is the only collection which supports the running of the parish which includes the maintenance of Church & grounds, the running of the sacristy, parish office, music ministries, supply priests and utilities (light & heat etc.) & all other associated costs .
