Prayer during times of a Pandemic

May we who are merely inconvenienced. Remember those whose lives are at stake. May we who have no risk factors Remember those most vulnerable, May we who have the luxury of working from home .Remember those who must choose between preserving their health or making their rent. May we who have the flexibility to care for our children when their schools close Remember those who have no options. May we who have to cancel our trips Remember those who have no safe place to go. May we who are losing our margin money in the tumult of the economic market Remember those who have no margin at all" May we who settle in for a quarantine at home Remember those who have no home. As fear grips our country, Let us choose love. During this time when we cannot physically Wrap our arms around each other; Let us yet find ways to be the loving embrace of God to our neighbours. Amen.

Easter Prayer

Lord, the resurrection of Your Son has given us new life and renewed hope. Help us to live as new people in pursuit of the Christian ideal. Grant us wisdom to know what we must do, the will to want to do it, the courage to undertake it, the perseverance to continue to do it, and the strength to complete it.

Happy Easter to all our friends and neighbours We hope you are all doing well and staying safe and please God we will be through the worst of this Pandemic soon , we thank you for all your messages of support at this time and look forward to seeing you all again very soon.

take care
