Have your say! 15 minute Online Survey: Researchers at the Mater Dei Centre for Catholic Education (MDCCE) at Dublin City University are embarking on an exciting three-year project, funded by the Presentation Sisters North East Province, which aims to explore the nature, scope and potential of religious education and faith development for adults in Ireland. The principal investigator is Dr. Gareth Byrne and the post-doctoral researcher for this project is Dr. Bernadette Sweetman. It is hoped that the project will enhance public awareness of the great work already happening in communities, parishes and groups. A range of possibilities which encourage adults generally to explore and deepen their faith experience and grow more fully into their faith community is needed.

We, the researchers, are hoping that as many people take part in this project as possible. We are inviting all adults in Ireland to complete an online survey that will help us understand what Irish adults think and feel about religious education and how we might best develop this in the future. Please feel free to encourage your friends and colleagues to participate. The survey can be accessed at [MDCCE AREFD Project](http://MDCCE.AREFD.Project)
