"Does your spouse have dementia? A new study in Trinity College Dublin is looking to gain an insight into the health and wellbeing of those who care for their spouse/partner with dementia. If you are caregiver aged over 50 years and living with a partner who has Alzheimer's disease or another form of dementia you may be interested in taking part. For more information please contact Alan Galvin or Dr Maria Pertl on 01 896 8414"
