REFLECTION

**20th Sunday Ordinary Time – year 2^a
16th August, 2009**

In this weeks gospel we see Jesus as teacher, leader and guide. In all three roles he does not stand outside of people, he wants to share their lives and to have them share his. Jesus speaks of people who have no life in them – he invites them to go to the root cause – they have never experienced or perhaps never let themselves experience the kind of selfless love that Jesus gives. Lord help us to receive Jesus when he comes to us in flesh and blood so that we may live More freely and see Christ in all we meet. Forgive us for trying to nourish ourselves with many things that are not life giving but rather clutter our lives and keep us in bondage. Thank you for the people who have touched our lives. We experience them living in Jesus and Jesus living in them.

Congratulations to all who received Their Leaving Certificate results this week & now await their college offers & course places, we hope that they will receive their chosen choices and wish them all the best as they move into the next level of their Education.

Parish Office open Monday to Friday 9.30am to 12.30 pm for a full range of both Mass and general cards for all Occasions . We also stock Christening Candles & books & other small Religious items. Why not call in and have A look around .

New Church Windows

We are pleased to announce that construction work to replace the existing windows in the Church has now started and as you can see some of the new windows are now in place .Work has also started on the new doors and roof in the church porch & we apologize once again for any disturbance which may take place during construction. The top two windows on either side of the altar will have stained glass panels inserted into them when all of the outer windows have been replaced.
