"An anonymous questionnaire-based study
from DCU School of Nursing and Human
Sciences is exploring the memory mistakes
people make in everyday life and the possible
relationship between memory errors and age,
gender, mood state and fatigue. The
questionnaire takes approx. 20 minutes to
complete.
This information may help GPs judge the
potential seriousness of an individual's memory
complaints.

Surprised by the Spirit
In preparation for Pentecost, come and reflect
on the words of the Sunday readings, as
recommended by Pope Francis in *The Joy of the
Gospel*:

In the presence of God, during a
recollected reading of the text, it is
good to ask, for example: "Lord,
what does this text say to me? What
is it about my life that you want to
change by this text? What troubles
me about this text? Why am I not
interested in this? Or perhaps: What
do I find pleasant in this text? What
is it about this word that moves me?
What attracts me? Why does it
attract me?"

Wednesday mornings to 11th May, 10-11 am, in
Room 1, Parish Centre.

Come when you can. Further details: Ann-Mary

of Prayer for Vocations & Good Shepherd
Sunday the 2nd Collection at all Masses
this Sunday will be to support students
studying for the Priesthood. We ask
that we may be filled with joy and the

Jesus, our Good Shepherd. We pray in
thanksgiving today for our Bishop,
Priests, Religious and Deacons and for
an increase in vocations in the Church.
May our Youth listen to God's Call and be
encouraged to respond generously.
Why not spend an hour in silent
adoration of the Blessed Eucharist this
