**St. Judes Summer Project**

Following another very successful and enjoyable Summer Project during the month of July, I would like to thank all those who gave of their time so willingly to this annual event. Particular thanks must go to the fantastic members of the committee who organised the activities over the four weeks. Many thanks also to St. Jude's and Faughs G.A.A. Clubs who facilitated us with the use of their premises. Their support was - and always is - invaluable to us. Finally, thanks to all the parents who helped out in many ways. On that note, new restrictions require that any adult who wishes to be involved with the project in subsequent years (even if only to accompany their own children) will need to be Garda vetted. Forms to apply for this are available from the Child Protection office, Catholic Youth Care, Arran Quay, Dublin 7. Telephone 8725055.
