New Pilgrim Path Website of the Week. "Listen to the entire Bible in 80 hours" "Listen to the entire Bible in 80 hours! David Suchet, the actor best known for his role as Agatha Christie's detective, Hercule Poirot, was raised without religion. In 1986, at the age of 40, he underwent a religious conversion after reading Chapter 8 of St Paul's Letter to the Romans in his hotel room. Soon afterwards, he was baptised into the Church of England. Since then, it has been his dream to make an audio recording of the whole Bible. He has now created the very first full-length audio version of the NIV Bible spoken by a single British actor. The end product is 80 hours of beautifully read Old and New Testaments.
