Older & Bolder

Older & Bolder is campaigning against a possible cut to older people's State Pension in the December budget. This is a time for action and for older people to make their voices heard in defence of vital supports and services that affect the quality of their lives.

Older & Bolder is inviting old and young to sign either our online or postal petition in defence of the State Pension. We are also asking you to spread the word and to involve friends, peers and groups in the collection of signatures for the petition during the month of November. Over the last weekend of November 27/28th – we are encouraging people to lobby their TDs on the urgency of protecting older people's pensions and supports. Packs are available to people who want to get involved in the campaign. Ring us on 01-8783623 or email info@olderandbolder.ie. You can also download information from our website, www.olderandbolder.ie ..
