## REFLECTION

**21st Sunday Ordinary Time –  
year 2B 23rd August, 2009**

**In this Sunday's Gospel we again see how Jesus relates to the people. He speaks with great inner freedom as he knows he is in his Father's care. This allows him to see others clearly. The people who rejected Jesus symbolize us when we find some request of God too difficult. Lord help us to stand up for our values and if people leave us do not let us become bitter or sad. Forgive us for the times we have let our values go because we were afraid of what people might think of us. Thank you for those whose words have been life to us because they speak from their experience.**

## **New Church Windows**

**We are pleased to announce that construction work to replace the existing windows in the Church is now well under way and as you can see most of the new windows are now in place. Work has also started on the new doors and roof in the church porch & we apologize once again for any disturbance which may take place during construction. The top two windows on either side of the altar will have stained glass panels inserted into them when all of the outer windows have been replaced.**
