World Missions

This years theme “ We cannot remain silent – we cannot but speak about what we have seen and heard “ (Acts 4:20)

is one of hope . The world is in urgent need of missionaries; those that can offer a prophetic voice and remind us that everything we’ve received from God is meant to be shared freely with others: In many of our poorer parishes in Africa, Asia & Latin America, it is our Missionaries who are providing this prophetic voice. However they desperately need our help it they are to continue to serve our marginalised brothers and sisters . For them we cannot remain silent. World Missions envelopes will be available in Church Porch if you can help them in any way either by donating at any of our Masses next Weekend or by leaving your donation in the envelopes provided into safe at back of church or into parish office
