**Women's World Day of Prayer** is an international ecumenical Christian laywomen's initiative and is celebrated annually in over 170 countries on the first Friday in March.

Every year, the worship service focuses on a different country and a specific theme. The theme this year is "All God's creation is very good!" and has been prepared by the women of **Suriname** which is situated in the north eastern Atlantic coast of South America. This year **Suriname** will become the focus of prayer and understanding all over the world. Through preparation and participation in the worship service, women worldwide learn how their sisters of other countries, languages and cultures understand the biblical passages in their context. **Women's World Day of Prayer** aims to demonstrate that prayer and action are inseparable and that both have immeasurable influence in the world.

In May, we face a referendum to remove the right to life of unborn babies from our Constitution. We're asking YOU to help Save the 8th and keep Ireland a safe place for mothers and babies. The proposal put forward by the government would make our 'abortion laws' more extreme than the UK where 200,000 babies lose their lives every year.

Stand together in this last major pro-life rally where we stand FOR life before the referendum.

Please don't let this be the last year where unborn babies have a right to life in Ireland. Attend the Rally to Save the 8th on Saturday, 10th March in Dublin City Centre starting at Parnell Square at 2pm.

brothers and sisters. We need to stand together to defend life and call for a better answer than abortion and save lives by saving the 8th.

PM us or email us at [info@rallyforlife.net](mailto:info@rallyforlife.net). Or you can fill in this form and we will be in touch. <https://rallyforlife.net/get-involved/>
