## 21<sup>st</sup> Sunday in Ordinary Time

Why not study Theology? There was never a better time to study theology, when the upheavals in the Church have prompted people to think again about their faith. What was once taken for granted is now questioned, and most people are not satisfied with superficial answers. This is true for people of all ages and backgrounds. In 2000 the Dominicans in Tallaght established the Priory Institute to respond to this growing need. From a long tradition of theology going back to Saint Thomas Aquinas, they have designed an accredited theology programme to meet the needs of ordinary people around the country. This programme is offered by distance learning, and is quite affordable. Participants can study from home, with tutorial support via e-mail and web-based discussion for a. They can earn a Higher Certificate Diploma and/or a BA( Honours) degree in Theology.
