

St Jude the Apostle – Willington

W.O.R.K. Residents' Association Ltd

It is with deep regret that we must inform the Residents of Kennington, Wilderwood, Rushbrook and Willington that due to a number of factors the current committee will not be able to continue for much longer. The very poor response to the Spring Cleanup Day was disheartening to the committee, who with limited help worked in the area for most of the Saturday. Also for some reason many residents just don't even bother to put 15 euro in the envelope provided and drop into the address advised. In addition to normal responsibilities, we have a range of significant issues on our current agenda, M50 Noise Barrier, Osprey Road Speeding, Relocation of Osprey Bridge, Mac Dara's Trees, Willington Roundabout, Landscaping and planting of new Flowerbeds. The workload cannot be carried by the remaining few members. We wish to thank all those residents who have helped over the years to make our community a better place in which to live. We are therefore now appealing to you to consider joining the committee to enable the work of your association to continue.

Many thanks
David Hughes
Chairperson
