'Stress Matters' is an 8 week program that looks at the many aspects of stress and anxiety in our lives today. While stress is an important aspect of day-to-day living, in some cases, it can deprive us of joy in our lives and our ability to thrive.

This program looks at the causes of stress, what happens to us on an individual level and what we can do to reduce its impact and improve our quality of life. The course is designed to show you how to monitor your own stress response, how to recognise and respond to your personal stress 'triggers' and to equip you with a range of stress reducing techniques.

Invest in yourself, become more self aware and give yourself an opportunity to live your life to its fullest potential.

Next start-up date is Thursday 14th Sept 2017 in Room 1 in the Pastoral Centre, 9.15am - 10.45am. The 8 week program costs €15 per week, payable as a booking deposit of €60 to secure a place and a second €60 payable on or before 14th September 2017.

The program is run by Mary Hamill, a qualified integrative psychotherapist accredited with Irish Council of Psychotherapists (ICP).

For further details or to make an enquiry you can contact Mary by email at mary@mbhcp.ie or mobile - 087 6317497

Volunteers Needed: For a small study aiming to find out from parents what their experience was of communicating with their children about a parent dying from cancer. Our hope is that the information we learn from the study will help us to improve how we support other parents facing this challenge. If you are interested in finding out more about this study, please contact the researcher, Rachel Millar, at Our Lady's Hospice & Care Services - 01 4986203. Thank You.
