*Seeking Volunteers for Healthy Ageing Research
at Trinity College Dublin*

*Researchers in Trinity College Dublin Institute of
Neuroscience are looking for volunteers to take
part in an exciting new study examining how
grip strength training programmes influence
various types of learning and could provide
benefits for the brain as we age. We are looking
for 50 healthy adults over the age of 66 who are
right-handed. Participation involves
approximately 8 hours commitment over the
course of 4 weeks, with a short follow-up one
month later. If you are interested in finding out
more, please email Eimile Holton, School of
Psychology Trinity College Dublin
at eholton@tcd.ie or call 085-8245898.*
