Prayer during times of a Pandemic

May we who are merely inconvenienced Remember those whose lives are at stake.

May we who have no risk factors Remember those most vulnerable,

May we who have the luxury of working from home Remember those who must choose between preserving their health or making their rent.

May we who have the flexibility to care for our children when their schools close

Remember those who have no options.

May we who have to cancel our trips Remember those who have no safe place to go.

May we who are losing our margin money in the tumult of the economic market Remember those who have no margin at all"

May we who settle in for a quarantine at home Remember those who have no home.

As fear grips our country,

Let us choose love.

During this time when we cannot physically Wrap our arms around each other;

Let us yet find ways to be the loving embrace of God to our neighbours.

Amen.

A Prayer for Healthcare Workers during this time of the Coronavirus COVID-19

Loving God,
we place into your care
all our doctors, nurses and healthcare workers.
Give them courage of heart
and strength of mind and body.
Keep them safe from harm.
May they know our deep gratitude
for all they are doing
to heal and help those affected by
the coronavirus.
God of all consolation
may they know your protection and peace.
Bless them in these challenging days
and bless their families.
Amen.

A Prayer for our Priests as they exercise their ministry during this time of the Coronavirus COVID-19

Eternal God,
Be with our priests this day as they seek
to minister to your people.
May you be a guiding and protective presence
with them
as they bring the consolation and hope of Your
word
and the grace and nourishment of Eucharist
to those entrusted into their care.
Grant them the strength of mind and body,
keep them safe to do your will,
And give them the courage and peace
to face each day with trust and confidence in You.
Into your hands O God, we commend them;
fill them with your grace and healing.Amen.
