"An anonymous questionnaire-based study
from DCU School of Nursing and Human
Sciences is exploring the memory mistakes
people make in everyday life and the possible
relationship between memory errors and age,
gender, mood state and fatigue. The
questionnaire takes approx. 20 minutes to
complete.

This information may help GPs judge the
potential seriousness of an individual's memory
complaints.

you do not have a diagnosis of dementia,

Surprised by the Spirit
In preparation for Pentecost, come and
reflect on the words of the Sunday
readings, as recommended by Pope
Francis in *The Joy of the Gospel*:

In the presence of God, during
a recollected reading of the
text, it is good to ask, for
example: "Lord, what does this
text say to me? What is it about
my life that you want to change
by this text? What troubles me
about this text? Why am I not
interested in this? Or perhaps:
What do I find pleasant in this
text? What is it about this word
that moves me? What attracts
me? Why does it attract me?"

Wednesday mornings from 6th April to
11th May, 10-11 am, in Room 1, Parish
Centre.

Come when you can.

Easter Prayer

*Lord, the resurrection of Your Son
has given us new life and renewed
hope.*

*Help us to live as new people
in pursuit of the Christian ideal.
Grant us wisdom to know what we*

*must do,
the will to want to do it,
the courage to undertake it,
the perseverance to continue to do it,
and the strength to complete it.*
