"All God's Creation is very good!"

Women's World Day of Prayer is an
international ecumenical Christian laywomen's
initiative and is celebrated annually in over 170
countries on the first Friday in March.

Every year, the worship service focuses on a different
country and a specific theme. The theme this year is
"All God's creation is very good!" and has been
prepared by the women of **Suriname** which is
situated in the north eastern Atlantic coast of South
America. This year **Suriname** will become the focus
of prayer and understanding all over the world.
Through preparation and participation in the worship
service, women worldwide learn how their sisters of
other countries, languages and cultures understand
the biblical passages in their context. **Women's
World Day of Prayer** aims to demonstrate that
prayer and action are inseparable and that both have
immeasurable influence in the world.

Men and women are warmly welcome come to this
prayer service which will take place this year in **Holy
Rosary Church, Oldcourt Avenue, Tallaght** on
Friday 2nd March 2018 at 7.30pm.

In May, we face a referendum to remove the right to life
of preborn babies from our Constitution. We're asking
YOU to help Save the 8th and keep Ireland a safe place
for mothers and babies. The proposal put forward by the
government would make our 'abortion laws' more extreme
than the UK where 200,000 babies lose their lives every
year.

Stand together in this last major pro-life rally where we
stand FOR life before the referendum.

Please don't let this be the last year where preborn babies
have a right to life in Ireland. Attend the Rally to Save the
8th on Saturday, 10th March in Dublin City Centre starting
at Parnell Square at 2pm.

brothers and sisters. We need to stand together to defend
life and call for a better answer than abortion and save
lives by saving the 8th.

PM us or email us at info@rallyforlife.net. Or you can fill in
this form and we will be in touch.
