CHURCH

It has come to our attention that a number of children from our local schools are using the church as a rat run in the afternoons after school running and screaming through the church. We would ask parents to request their children not to run through the Church after school. Any child found running through the Church will be reported to the school and their parents informed. As a result of this behaviour we have had to lock the Rossmore entrance after morning Mass. We apologise for any inconvenience this may cause our parishioners.

Thank You

The warm welcome that I received from so many people at the function in St. Jude’s Club recently to mark my retirement was overwhelming. I wish to sincerely thank every one who was present and those who could not make it for a great surprise and for your extravagant gifts. May I express my appreciation also to my colleague and friend, Dr. Ahmed Ajina and to many others for their kind words on the night and to the Organising Committee for all their work in making it such a pleasant and enjoyable evening for myself and my family.

I was lucky to have had so many wonderful patients during my years of practice in Templeogue and the generosity and kindness shown towards me will always remain with me.

Thank you all.
Denis O’Sullivan.
