REFLECTION

**Nineteenth
Sunday
Ordinary
time 2B**

In this weeks gospel the Jews are complaining to each other about Jesus because He said “I am the bread that came down from heaven”. Jesus asks them to stop complaining and he speaks of people being taught by God and hearing the teaching of the Father We can know right teaching but in a abstract way but when we come to Jesus we learn Gods lessons personally as if he had taken us aside and given us individual tutoring. Forgive us Lord for the times we complained often because we did not understand. Help us to come close to you and believe that you are the way the truth and the light, Thank you for the people who preach your word and for calling us to be part of your family.

The Rosary for Piano
By Philip Carty**

The Rosary for piano is a new classic piano work composed and performed by the distinguished Irish pianist and composer, Philip Carty. The composition in twenty movements presents a musical journey into the twenty mysteries of the Rosary prayer. This is the world premiere of a unique and intimate piano composition. The recital takes us through significant events in the life of Christ and Mary his mother. These are presented to us in the Joyful, Sorrowful, Glorious and Mysteries of Light.
