## "DEMENTIA CAREGIVERS STUDY

What is the study about? We know that caring for someone with dementia can be both stressful and a rewarding experience. We would like to learn more about how carers cope when feeling under stress. We hope that your input will help us design services to support carers in their role. You will be asked to fill in a questionnaire which should take about 30-40 minutes to complete. If you need assistance the researcher can contact you to discuss further. If you decide to take part please contact the researcher Mairead Diviney (HSE North Dublin and Trinity College Dublin) at [mdiviney@tcd.ie](mailto:mdiviney@tcd.ie) or by phone 089 416 9550. Your assistance would be greatly appreciated."

The St. Vincent De Paul Annual Christmas Collection takes place at all Masses this weekend and will replace the Normal Share Collection we also have Toy Sunday this weekend so we ask our younger parishioners to bring along a toy or gift for a needy child all the monies and toys will be distributed by the Society in time for Christmas
